How does it work?

Your first training session at Spartan Taekwon-Do is just a tryout, a chance to come along see what our Taekwon-Do School is all about – it is free.

A free Lesson!

We'd love you to join so we invite you back for a free trial lesson. It's your chance to get involved and see if you like it. At the end of the lesson, we will give you joining information.

Your third lesson

This is the lesson when you start to pay training fees. You can choose one of the packages on the left or we also have other options to suit student needs.

Please do not hesitate to contact Mr Huggins or Mr Paris, if you have any further questions regarding this matter or any other training questions.

Yours faithfully,

Mr Huggins I Dan and Mr Paris I Dan (Instructors)
